KAILASH MANSAROVAR YATRA 2025

Kailash and Mansarovar, as ancient as creation itself, are sacred pilgrimage sites for Hindus, Buddhists, Jains, and the Bongo. Mount Kailash, revered as the holiest peak and the abode of Lord Shiva and Parvati, symbolizes truth, wisdom, and bliss. Its black granite form resembles a Shivalinga, where light and sound merge into OM. Mansarovar, believed to be created by Brahma, holds the essence of the Vedas. A holy dip in its pristine waters and a circumambulation (Parikrama or Kora) of Kailash are believed to cleanse one of all sins and lead to liberation—becoming one with Shiva, beyond rebirth and suffering.
